

WG2 & WG3 Meeting: Vienna, April 2020

On April 20-21, 2020, Vienna will hold a new OMEGA-NET Meeting addressed to Working Groups 2 (Task 2.2.1 Psychosocial —Burnout) and 3 (Task 3.5 Work-related psychosocial determinants on mental health).

DATE: 20-21 April 2020

- CANCELLATION -

After careful consideration in light of the ongoing Covid-19 crisis in Europe, we regretfully had to decide to cancel our OMEGA-NET Workshop which was going to take place on April 20-21 in Vienna. Because postponing the meeting is currently uncertain, we would like to hold a 2-3 hour long virtual Workshop to update each other on the respective status of our research.
